

Cromer PTO March Newsletter

Cromer PTO would like to thank all of the families that attended the Dinner/Family Night in January. Families really enjoyed visiting with each other.

PTO would especially like to thank Don Gala at Southwest Food Services and his dynamic team for donating and serving the wonderful food and games.

Also, PTO would like to thank Jennifer Whetten for organizing the second cake bingo. It was a huge success!!!!

Wonderful News

Plans have been approved by the county and we received our permit for the marquee. Half of the donated funds have been used towards getting the marquee constructed. Yeah!!!

Dr. Horn gave a brief budget presentation at the last PTO meeting. If your financial situation has changed, please fill out a new lunch application for your child. It may make the difference in Cromer receiving extra funding next year.

Cromer School Cooperative Preschool

The Flagstaff Cooperative Preschool has a limited amount of space left. There are full and part-time openings. Call 522-5763. We also offer a Free Friday Program! If you volunteer in an older sibling's classroom at Cromer you can bring your preschool aged child (3-5) for 2 hours on Fridays free of charge!

PTO Board Positions

It is that time of year to elect next years PTO board members. All positions are a one year term, so all positions are open. If you are interested in being a board member, please attend the next PTO meeting on April 14th.

Cromer PTO has been a very active part of our school. We welcome new parents and new ideas to improve our events and school. Let's continue to support the students and staff of Cromer.
