Making the Grade...A+

We need all of our families to get straight A's in their enthusiasm to raise funds. This task will not require hours of homework, but just a few minutes of your time and your grocery club card number.

Group number: 6574809

Here's How it Works

- You register any one or all of your existing grocery loyalty, debit and/or credit cards for use in the program.
- Participating merchants will make contributions to your chosen group, based on purchases made by you, just by using the cards you have registered.
- Your purchases are tracked and available to you online, allowing you to see just how much you are earning on your child's behalf!

See <http://www.escrip.com/program/FAQs.jsp> for answers to frequently asked questions.
